McWaPEC members,

Our guest speaker will be Carl Cox, current President of the PA. State Association of Boroughs (PSAB).

Carl came from humble beginnings, he was an orphan who had the opportunity to attend and graduate from the "The Milton Hershey School". Eventually, he moved to the community of Knoxville, PA, population 617 in Tioga County, where he became involved in his community as a Borough Council person and leader in the community.

Carl with the loving support of his wife Linda, wanted to give more to his community and the PSAB, so after years of serving on various committees and hard work his colleagues from across the Commonwealth elected him as President of the PSAB. As a highlight to this achievement, Carl was installed as the President of the PSAB at the Hershey Lodge which was an honor for him but also a tribute to Milton & Catherine Hershey's efforts.

McWaPEC has a solid reputation at the PSAB, we understand what "RURAL PA" is ... and so does Carl Cox. So please mark this date and come to hear an inspiring story that we can relate to and know that though we are in "RURAL PA" we have a voice!
