(b) Declaration of disaster emergency.--A local disaster emergency may be declared by the governing body of a political subdivision upon finding a disaster has occurred or is imminent. The governing body of a political subdivision may authorize the mayor or other chief executive officer to declare a local disaster emergency subject to ratification by the governing body. The declaration shall not be continued or renewed for a period in excess of seven days except by or with the consent of the governing body of the political subdivision. Any order or proclamation declaring, continuing or terminating a local disaster emergency shall be given prompt and general publicity and shall be filed promptly with the agency. The effect of a declaration of a local disaster emergency is to activate the response and recovery aspects of any and all applicable local emergency management plans and to authorize the furnishing of aid and assistance thereunder.
